Small businesses thrive in Loudoun:

More Than
7,300

Companies Have Fewer Than

20
Employees

Loudoun Companies by Number of Employees

The Right Assistance

Loudoun offers a coordinated network of business assistance through multiple non-profit, county government and town government organizations.

Mason Enterprise Center

Opened in 2011, the Mason Enterprise Center combines the energy, skills and capital from George Mason University, the Town of Leesburg, Loudoun County Government, and the Loudoun County Small Business Development center, all in one facility.

Development Center

The SBDC provides free business counseling, complimentary targeted training and seminars, and access to a large network of volunteer business consultants focused on the specific needs of small business.

Site Selection

The Department of Economic Development's online land database and CoStar Showcase tool provides free initial searches of Loudoun's commercial inventory:

biz.loudoun.gov/siteselection

Loudoun's Department of Building & Development staff can assist with zoning determinations for business types, site location and information, and occupancy permits:

<http://www.loudoun.gov/bd>

The Loudoun Chamber of Commerce Small Business Committee works to help small business reach new customers, expand their markets and achieve a leadership position in their market. Join the over 1,000 small businesses who are making the chamber work for them.

biz.loudoun.gov

The Loudoun County Business Development Hotline is a free service that allows businesses interested in specific sites to have site usage questions answered by Building & Development within one business day.

Need Assistance With Your Small Business?

Debi Roder, with the Department of Economic Development, works to assist small business owners with finding locations, information and connections to local resources, as well as facilitating strategic introductions. Have a question? Drop her a line at deborah.roder@loudoun.gov.

All businesses must obtain a Loudoun County Business and Professional Occupational License. If your business is based in one of Loudoun's seven incorporated towns, please contact your town for their licensing requirements, or contact the Commissioner of the Revenue.
